### Floor Resistant

When buying clothes for erecepers, be sure to choose garments that can be washed and bleached. Select a fabric-safe bleach in the form of dry chlorine beads. This will not weaken fibers that have been exposed to the abrasion that comes with the crawler's progress across the floor.

### Baby's Safety

Always test the water for temperature before easing buby in for his daily sudsing. Once buby is in, don't add water since it might be hotter than you think.

### Wash First

If you have any doub about the shrink-resistance of a fabric, it's worthwhite to prewash it in convenien lengths before sewing.

### Try This Trick

When you are trying to remove a stubborn screw or boit from wood, try placing a few drogs of peroxide on it. Let it stand for a few minutes, and you'll find it will loosen to the point where it can be removed easily.

Furniture designers have taken a cue from their own wardrobes. The fabrics they are using to upholster furniture today are yesterday's suit and cost fabrics. Look for sofas and chairs in leather and manmade varieties such as

# Pamphlet Tells How Home Can Convert Into Shelter

"The changes came rapid-ly-A-bomb to H-bomb, air-planes to missies, hypothesical danger to actual threat-and all of them directly af-fected the course of eivil defense in the United States."

This is how a pumphlet on the Status of the Civil differse Program issued a year ago begins. Ever since then things have changed some, but many basics remain.

ACCORDING TO Fire Department Lt. John Benson, civil defense director in Art-ington Heighst, the village has eight sirens to warn citizens of storms and other calamides. These have been strategically place so they can be heard indoors.

bureau to warm of tornadoes,
earthquakes and other natural
catastrophes.

In the village, alert monitor
radios are located in the
schools, library, park district
beadquarters and 33 public
buildings and a few private
buildings.

# When you were a kid, Buick was a Doctor's car. Remember?

Forget it.

Buick hasn't changed. It's still the kind

of car really particular people buy.

But, in 1938, most people couldn't afford

a Buick. In 1969, most people can.
Sure, doctors and lawyers and bank
presidents still drive Buicks. Because they still enjoy driving cars that are a little

finer than a car needs to be.

But today, you don't have to be a doctor or a lawyer or a bank president to buy a

You just have to be a little dissatisfied with ordinary cars. Honestly - wouldn't you really rather have a Buick?

# **Motorists To Pay More on Northwest Tollway**

Motorists using the Northwest Tollway this sum-mer will find that tolls will be a bit higher. The Hilmois State Toll Highway Authority said today that toll charges will be in-creased from 2 cents to 2, cents per mile on May 1 or June 1.

A throughway traveler from Elgin to South Beloit, Wis., will pay \$1.40 compared with the present rate of \$1.20.

to Donald R. Bonniweli, chairman of the tollway.

Richard L. JOHNSON

John L. KURANZ

#### WHAT THESE MEN HAVE TO SAY ABOUT THEIR CANDIDACY:

Johnson: "My platform is a continuation of the performance of the last four years. The decisions I have participated in have been measured against a yardstick of "Will this decision contribute towards making the college one of the finest in this country? I promise to continue applying this same yardstick during my next term of office."

Kuranz: "The College must continue its pursuit of ever increasing academic ex-cellence, matching course offerings to the changing needs of modern life. I am puricularly interseted in the exact sciences and business oriented curricula. The College environment, with the move to the new campus in September, will be a major factor in expanding the opportunities for dialogue between students, faculty, administrators, trustees and the community at large."

THIS WEEK the committee has been sending home letters with school children, entitled "Wheat, Chaff and Like That." In one of them it works to dispet any "vague opinions and implausible theories" that parents may have.

have.
Some direct quotations from one of the letters are shown below:

"Fact: Live in Sugarbrook? Your homes are assessed at between \$4,900 and \$5,000 are single unit. At 21 cents on your landlord's tax on your landlord's tax on your unit would go up between \$100, your landlord's tax on your unit would go up between \$10, and \$13 a year.
